Are the participants with a special group/organization (i.e., Girl Scouts, 4-H, school)? Y N

If yes, what group/organization? 

Briefly describe your activities with this group: It was for a science night. We had a stand with hands-on activities as well as a pre-made rocket up for display. The hands-on activities were straw rockets and an air pressurized system that acts as the game "Balloon-a-cup".

Did you conduct an evaluation of your educational engagement? If so, what were the results?
